

Los Angeles Recorder Orchestra
Sunday, September 22 at 2pm

The **Los Angeles Recorder Orchestra** will be back at Emmanuel with its new program

“L.A. Mosaic”

Los Angeles is known for its images: the ocean, the mountains, the Spanish pueblo at its center, its ethnic neighborhoods and, of course, the “Industry”. We perceive these images visually. What would we hear if they were transformed into music? The Los Angeles Recorder Orchestra has created a program of musical pieces about the City of Angels. Several of these are works commissioned by the orchestra. The **Recorder Kids** – all Laurel Hall students - will join the orchestra in a Renaissance medley arranged by LARO conductor Thomas Axworthy for the television series “American Princess”. Voluntary donations will be received and a reception will follow the concert.

Come and share in the excitement of LARO’s celebration of our city!
