

EMMANUEL LUTHERAN EARLY CHILDHOOD CENTER
A Ministry of Emmanuel Lutheran Church

The last month of the ECC school year is upon us. This year has passed with highs and lows. Thank you to all our amazing ECC families for a great school year. If you are leaving us, we wish you love and success in all future endeavors! If you are staying for the summer, it's going to be fun - water play, and special guests - The Bubble Guy, Cabrillo Aquarium and Carrie the Critter lady.

Friday May 31st there will be a Laurel Hall School used uniform sale on the ECC campus in the am at drop-off(Cash/check) This is a great (and cheap!) way to stock up on items if you are planning to attend Laurel Hall in the 2019/20 school year.

Friday June 7th at **9:30am** the children of the ECC will be singing (and dancing!) their hearts out! Please join us in the chapel/church - all are welcome. Please ask your teacher for any specifics on attire/props.

Monday June 10th pony rides on campus 9am. Siblings welcome to ride too! Pictures available for purchase if desired. Giddy-up ECC cowboys and cowgirls!

Sunday June 9th the ECC have been invited to sing in church. Services start at **10am**. We have been practicing very hard in chapel every week - brushing up on our standards AND adding some new into the mix! Hope to see you all there!

Friday June 14th we will be celebrating our daddies. Please join us at drop-off for a yummy breakfast of coffee and treats - and handmade presents of course! If you drop off before 8am please celebrate with us in room 1.

Our 2018/19 school year comes to an end June 28th. At 6pm in chapel we will have our pre-k graduation, followed by a small gathering with food on the ECC campus.

This is not a mandatory event, but a fun way to end your child's preschool experience. I know some people feel pre-k graduations are excessive, however research has shown graduations for any age promote that school and education is important. They also provide an opportunity for academic praise and a lifelong love of learning - by valuing a graduation you are letting your child know that you value educational achievements.
