A Ministry of Emmanuel Lutheran Church

## SANDBOX NEWS

August 2019

The last couple of weeks of the 2018/19 school year are upon us. In no time at all, I will be sending out welcome to 2019/20 letters and back to school info, and we will all be wondering where the lazy days of summer went! So let's make the most of what's left!

Bubble Guy

The Bubble guy will be here Wednesday July 31<sup>st</sup> for some bubbly fun, and to keep our science week messy! I have never seen human sized bubbles...but supposedly he/she can make them...stay tuned!

Cabrillo Aquarium

The Cabrillo Aquarium will be visiting the ECC the week of Beach camp. We are so excited to end our summer adventures with this amazing and educational treat!

A Real Mermaid (almost!)

What would beach week be without a visit from our real live (almost) ECC mermaid? It wouldn't be as amazing...so she will be on campus to help us celebrate summertime and our oceans!

## Mommy & Me Program

Ms. Clarice still has some availability in her mommy and me program located in the ELC reception room every Friday. The current class is for 0-12 months non walkers; however, 1-2 year walkers will be available before the end of the year. If you are interested, please contact the office.

## Referral

The ECC is filling up fast, however we do still have some availability. If you know a family who is looking for a preschool, please remember we offer a \$500 referral credit (in two installments upon completion of all requirements) to current families.

## Last Day

The official last day of the ECC summer program is Friday August 16<sup>th</sup>. We will be closed until back to school night, September 3<sup>rd</sup> 4-6pm. The first day of the 2019/20 school year will be Wednesday September 4<sup>th</sup>. To all of our pre-k families who are leaving us for a bigger adventure, we wish you all the very best, and please always feel that you can come back and visit - we love to see our alumni!
